Parking

It is important that we maintain positive relationships with our neighbours. Whilst we understand the difficulties in parking, please do not park in a way that blocks driveways or access to houses through double parking, or parking on the pavement. Thank you in anticipation of your support.

Bank holiday closures

A reminder that school and nursery are closed **next Monday (1st May)** and the **following Monday (8th May)** for the bank holidays.

You will have received a letter last week sharing the plans for the two upcoming strike days on Thursday 27th April and Tuesday 2nd May (summarised below). Should you have any questions about how your child's class is affected please speak with your child's teacher or the school office.

Trips

We know that many of you are keen for your children to be able to experience school trips again since the pandemic stopped them. Therefore, staff have been busy organising end of year trips for all year groups. These trips have been chosen to enhance the learning they are doing in school, along with providing them with an opportunity to participate in a new experience. You will receive a letter for your child's trip this week with all the information on it that you should need. With the rising cost of living and fuel, we have tried to keep costs to a minimum; however, should you feel you will struggle to pay for the trip, please do speak with the school office.

Y2 Parents'/Carers' meeting

Don't forget that there is a Y2 parent's meeting on **Wednesday at 9am in the school hall**. The meeting, run by class teachers, will go through the plans for the end of Key Stage SATs that the children will be sitting during May. The presentation used at the meeting will be shared with parents, for those unable to attend. Should you have any questions, please speak with your child's class teacher.

New to Reception starters

Reception children due to start with us in September 2023 will have received confirmation of their place. We are very much looking forward to welcoming you to our school, and will be in touch over the coming weeks about how we will get to know each other, together with plans for a successful transition.

Y2 transition to Y3

Year 2 children should have received their allocated year 3 place. For those transitioning to Halfway Junior School you will receive a welcome letter and information pack in the week before half term. After half term, there will be a meeting held at the Junior School which will go through key information about the school, along with transition plans.
