Summer

This week is the last week of term and we thought that you might like to enjoy some Summer themed activities.

We have put a few a few ideas into the home learning pack for Literacy, Maths and Topic activities which you may enjoy having a go at if you have the chance.

Thank you for all of your support over this last term. We have loved seeing the photos of your learning at home and receiving messages from you.

It has been a strange and challenging time for everyone and we have been so grateful for all of your support.

Have a lovely Summer everyone,

Take care and stay safe.

XXXX
