

Chocolate Beans

There were 20 chocolate beans in every tube. Can you say how many have been taken from each one?

Hurry! The children will be back in 1 minute to eat all the rest.

Practise every day. Put your score on the back.

Magnetic Fishing

You have 1 minute to catch as many fish as you can. You must not miss out any fish and you must answer each sum correctly.

The game board features a 'Start' fish at the top with a magnet on its back. Below it are numerous other fish, each with a simple addition problem written on its body. The problems are:

- $2+8$, $2+5$, $1+5$, $6+3$, $4+2$, $1+9$, $3+6$, $4+5$, $10+0$, $1+9$, $2+6$, $3+4$, $0+10$, $3+4$, $2+5$, $4+6$, $3+7$, $3+2$, $2+6$, $5+4$, $1+7$, $3+3$, $1+8$, $1+1$, $1+9$, $1+6$, $4+4$, $6+2$, $1+4$, $6+2$, $3+5$, $2+7$, $5+2$, $1+4$, $2+4$, $3+5$, $2+2$, $1+4$, $1+4$, $1+4$

Practise every day.

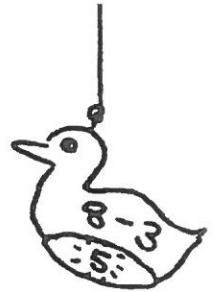

Put your score on the back.

Ducks

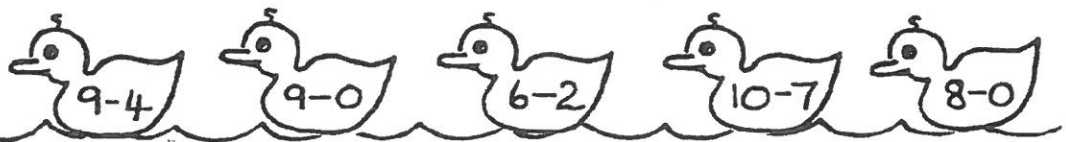

Sue is having fun at the fair on the Hook-a-Duck stall. She hopes to catch a number 5 duck and win a prize.

Can you tell her the number on the bottom of each duck?

You have only 1 minute to try.

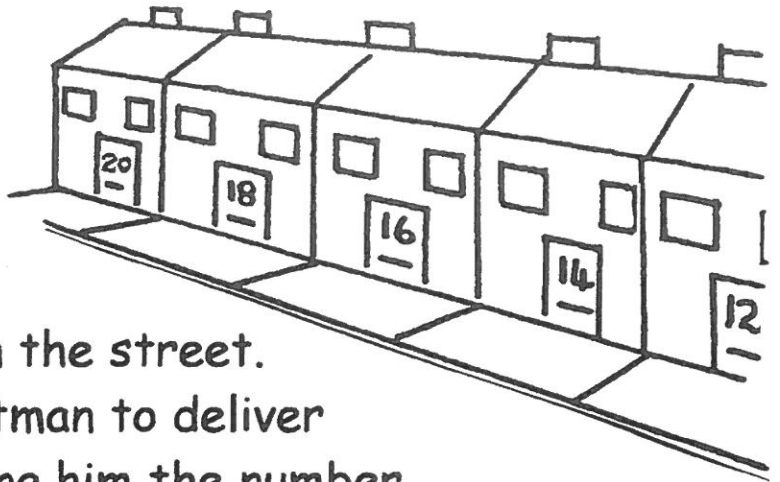

Start

Practise every day.

Write your score on the back.

Letters

There are 20 houses in the street.
can you help the postman to deliver
his letters by telling him the number
on each envelope?

See if you can do them all in 1 minute.
