

Hello Nursery,

I hope you enjoyed learning all about 'Cinderella' last week. Did you make a fruity carriage?

Last week I was back in school and got to see lots of the boys and girls going to Foundation 2 at our school, it was lovely to see so many smiley faces. I've also been busy getting things ready and making new resources for my classroom. I'm going to miss being in Nursery but I'm looking forward to seeing lots of children down in big school.

My cat Minnie definitely missed me whilst I was at school, she was waiting by the door when I got home each day and couldn't wait for a cuddle.

Meg and Mog have been a little grumpy this last week, they don't really like the rain! I went on a walk at the weekend with my niece and we picked lots of dandelions which we gave to them when we got home. They cheered up when they were munching on them 😊

Our story this week is called 'Fee! Fi! Fo! Fum!' and I can't wait to hear about all the learning you do, so please don't forget to send me pictures via the home learning email:

homelearning@halfway-inf.sheffield.sch.uk

I'm logged into the email address above most of the time so if you send me an email I will be able to write back to you!

Stay safe and I hope to see you soon,

Hello ,

This last week I have been busy helping to get the F2 classrooms ready for lots of you to start school. Even with the rubbish weather me and the F2 children enjoyed getting our coats on having a play in the rain! Do you like to play in the rain?

It was lovely to see and wave to some of you as you visited school last week. Have a lovely summer and good luck for September in your new classes!

Love Chris x

Hello everyone,

this week I have enjoyed celebrating my birthday! These are the lovely presents that I received from my friends and family. I had birthday pancakes for breakfast (its a birthday tradition at my house) they were delicious!

It's been really nice to see some of you and give you a wave in school (at a distance). I hope you all have a fantastic summer and I wish you all the best for September in your new classes! It's so exciting!

See you soon.
