

Hello Nursery

I hope you enjoyed learning all about 'The Tortoise and the Hare' last week. Did you do the daisy experiment? What colour did you turn the daisies? Don't forget to send me photos of how it changed.

Last week I was very busy getting things ready for a zoom call with you! I spent lots of time looking through photographs and videos and it made me miss you all even more! I can't wait to see you on zoom.

I've been doing a course whilst I'm away from you all about 'Stories and Rhymes' and we get to make our own props and resources. This week I made 2 dolls, they don't have any faces on so that you can choose how they are feeling for each story you tell. What do you think of them?

Our story this week is called 'Cinderella' and I can't wait to hear about all the learning you do, so please don't forget to send me pictures via the home learning email:

homelearning@halfway-inf.sheffield.sch.uk

I'm logged into the email address above all the time so if you send me an email I will be able to write back to you!

Stay safe and I hope to see you soon,

Adele x x

Hi everyone.

This week it was my birthday and I had 3 parties and lots of lovely presents to open. The children in F2 made me some birthday cards at dinner time. Wasn't that so kind of them!

One day at school a dragonfly flew into the class for the day and it landed on the whiteboard and pressed the button that started the phonics game. It was very funny! We drew a dragonfly then decorated it with collage paper. We found out what they eat (mosquitos) and the names of the parts of its body. At the end of the day we released it in the school grounds. What an exciting learning day we had.

Have a lovely learning week at your houses and keep growing your brains to make them sparkle .

Love Chris xx

Hello everyone,

I have been very busy playing and learning with the children in our red bubble. We have enjoyed dancing to sticky kids songs. My favourite is "Music, Music, Music" where we tap our sticks.

I have taken up a new hobby and taught myself to paint with watercolours: this rabbit is one my creations! It needs a name, can you think of one?

Missing you all
Sarah x
