# Conservation

## Our Wonderful World

### Suggested activities

### Home learning ideas:

Visit the library and look for fact and fiction books about the oceans and the creatures we find in them.

Use the internet to watch videos about the oceans and animals, (look at the Great Barrier Reef!)

Visit local fish centres like Dobbies and Wards Garden Centre!

### Science

#### Plants

Observe and describe how seeds and bulbs grow into mature plants.

Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

### English

To write an adventure story using adjectives to add detail and excitement for the reader as well as subordinating conjunctions (when, if, that, because).

To write a diary entry based on the story of 'The Snail and the Whale'.

### Mathematics

Explore a range of addition, subtraction, multiplication and division questions, including those requiring reasoning skills.

A range of practical activities to explore fractions using parts and wholes as well as understanding what half, quarter and third means.

### Geography

To watch videos about oceans, explore and read lots of information books about oceans, looking at maps of the UK and the world. Locating UK and a contrasting non-European country (Australia because of the Great Barrier Reef).

### RE

Learn about the message of good news that Christians believe Jesus brings.

### Computing

Plan and create branching databases related to sea animals using the PCs / Chromebooks.

### Art and Design

Create a piece of aboriginal art

### Music

Listen and learn a song about friendship (Friendship Song) and listen to a variety of music genres on the topic.

### PSHE/RSHE

Learn and understand what Fake News is. Understand what makes us unique as individuals  
Learn about the Zones of Regulation

### PE

Learn how to play rounders and the key roles within the game.
