Area to Address 1:
Children’s Communication and language, speaking and listening skills
‘This should permeate everything in school for all children. Tower Hamlets Language Structure, expectations of full sentences when speaking at all times, collaborative and investigative tasks in class, reading comprehension activities to develop language and vocabulary, Phonic Bugs, swift referral system when additional support is required, CIP visual timetables and cues used consistently and effectively.’
 Marc Rowland – Pupil Premium Review 2019

What do we want for our children?	How it will happen?	When, who and how long?	Why are we doing this?	Impact and evidence
<p>Children to speak in full sentences.</p> <p>Children to hear and use grammatically correct sentences.</p> <p>Children to have a wide vocabulary which reflects their experiences and understanding.</p> <p>Children to understand and use the language of description, explanation, collaboration and stories.</p> <p>Children with identified speech and language needs are swiftly supported</p> <p>Targets for outcomes 20/21 - Autumn 2020 60% of PP on track to achieve EXP+ at end of F2 and KS1</p> <p>Spring 2020 70% of PP on track to achieve EXP+ at end of F2 and KS1</p> <p>Summer 2020 80% of PP on track to achieve EXP+ at end of F2 and KS1</p>	<p><u>Culture and Vision</u> Everyone believes out least advantaged children in our schools can do well</p> <p>Pupil needs not labels should drive our practice</p> <p>Continue ‘Changing Lives’ policy with key menu of support for staff to target support for identified children with multiple vulnerability factors.</p> <p><u>Strategic Overview/Data Analysis</u> Robust monitoring systems to track attainment and progress in all areas including specific focus for PP children in reviews (SEN Pupil Premium and PMM) to identify children at risk of underachieving.</p> <p>Early identification of possible need in Speech & Language and referrals where needed.</p> <p>Individual Speech & Language interventions for children.</p> <p>Participate in Early Years NELI Project (Nuffield Early Language Intervention) as part of the Catch Up Premium funding</p> <p><u>Classroom Practice / Quality of Teaching incl. CPD</u> Tower Hamlet structures used consistently throughout school and staff model use of grammatically correct sentences.</p>	<p>All school staff modelling grammatically correct language and pronunciation.</p> <p>Monitored by SLT and middle leaders in learning walks and lesson observations</p> <p>Ongoing formative and summative assessments by all teaching staff</p> <p>Attainment and progress monitored termly by SLT.</p> <p>SLT and SENDCo in termly Pupil Progress meetings.</p> <p>Speech and Language Therapists, SENDCo and Class teachers work with TAs to plan and teach and review sessions daily/weekly as required.</p> <p>SENDCo/SLT to refer families when sessions and support groups are in place again (Currently suspended due to COVID 19 restrictions).</p> <p>Refer to MAST or Early Help who may be able to support virtually or by the phone.</p>	<p>Quality first teaching and learning with high quality feedback needs to remain a key element of all learning sessions - EEF states that feedback has high impact for very low cost and can add up to 8 months progress.</p> <p>More children now enter our nursery in receipt of EYPP funding with skills below that expected in the prime areas of learning, particularly poor speech and language skills/Communication and Language and Listening and Attention – EEF states that oral speech and language interventions can add up to 5 months additional progress per year for very low cost.</p> <p>Oral language intervention is being used as EEF evidences moderate impact for a very low cost, and this is based on extensive evidence – adding +5 months of progress. NB – In the EEF Early Years Toolkit, Communication and Language and Early Numeracy approaches both have a high impact and low cost (+6 months progress).</p>	<p><u>Entry PP ARE Data – Sep 2020</u> Whole School: <i>Reading: 17%</i> <i>Writing: 20%</i> <i>Maths: 26%</i> F2 <i>Reading: 0%</i> <i>Writing: 0%</i> <i>Maths: 0%</i> <i>GLD: 8% of PP on track for GLD Y2</i> <i>Reading 9%</i> <i>Writing 18%</i> <i>Maths 45%</i></p> <p><u>Autumn PP ARE Data – Dec 2020</u> Whole School: <i>Reading: 22%</i> <i>Writing: 20%</i> <i>Maths: 37%</i> F2 <i>Reading: 17%</i> <i>Writing: 0%</i> <i>Maths: 25%</i> <i>GLD: 50% of PP on track for GLD Y2</i> <i>Reading 9%</i> <i>Writing 18%</i> <i>Maths 45%</i></p>

<p>Disadvantaged children to be in line with or better than National disadvantaged pupils in 2021 at EXS+ in KS1</p> <p>Target is for end of year outcomes in 2020 to show an upward trend for disadvantaged pupils in our school, with gaps narrowing between them and others.</p>	<p>Communicate in Print visual supports used consistently across school – Eg. Class timetables, communication boards and lanyard cards.</p> <p><u>Engaging Families and the Community/ Supporting parents and carers</u> <i>Work more closely with other agencies to support/ offer specialist sessions in school/online for children and parents/carers incl. Early Years Team, Attendance and Inclusion etc.</i> <i>-Ditch the Dummy</i> <i>-Theraplay</i> <i>-Toddler Talk</i> <i>- Play and Say</i> <i>-Managing Aggression</i></p> <p><u>Monitoring, Evaluation and Accountability</u> EYFS Lead and SLT to monitor standards overall SEND Lead to plan, monitor and evaluate interventions for impact, and work with other agencies to identify and support children as appropriate to need Literacy Lead leading school improvement in Phonics and early reading Regular monitoring subject leaders incl. lesson drop in, observations, book scrutinies etc. Governing Body Focus Visits – specific governors assigned to this priority Data trawl – monitoring progress/achievement</p>

Area to Address 2
Independence in learning
'Assigning children roles particularly in enhanced independent learning - for example, group tasks with individual accountability as in Lego Therapy. Keep learning active – Limit/adapt whole class teaching to ensure children can maintain focus. Use models and/or prompts to support independent writing tasks to limit dependence on adult support.'
Marc Rowland – Pupil Premium Review 2019

What do we want for our children?	How it will happen?	When, who and how long?	Why are we doing this?	Impact and evidence
--	----------------------------	--------------------------------	-------------------------------	----------------------------

<p>Children who are confident independent learners.</p> <p>Children who work collaboratively with peers.</p> <p>Children who are engaged and motivated by work in school.</p> <p>Children to report a confidence in understanding their own next steps in learning and can discuss strategies they can use to improve their own outcomes.</p> <p>Targets - Autumn 2020 60% of PP on track to achieve EXP+ at end of F2 and KS1</p> <p>Spring 2020 70% of PP on track to achieve EXP+ at end of F2 and KS1</p> <p>Summer 2020 80% of PP on track to achieve EXP+ at end of F2 and KS1</p> <p>Target is for end of year outcomes in 2020/21 to show an upward trend for disadvantaged pupils in our school, with gaps narrowing between them and others.</p>	<p><u>Culture and Vision</u> Everyone believes our least advantaged children in our schools are able to achieve and succeed.</p> <p>Pupil needs, not labels, should drive our practice.</p> <p>Continue 'Changing Lives' policy with key menu of support for staff to target support for identified children with multiple vulnerability factors.</p> <p>Continuous and enhanced provision throughout all year groups challenge children in their learning, ensuring continued opportunities for independent and child led learning.</p> <p><u>Strategic Overview/Data Analysis</u> Staff Training on Independent open ended learning and 'Thinking Keys'</p> <p>Bloom's taxonomy and use of effective questioning shared to all classroom staff</p> <p><u>Classroom Practice / Quality of Teaching incl. CPD</u> Children assigned roles in enhanced/independent activities (Planner, resource manager, checker etc.) to give responsibility and increase engagement.</p> <p>Focussed whole class teaching with an emphasis on child led/active engagement incl. child talk rather than an over emphasis on teacher led sessions.</p> <p>Children taught to peer and self-assess using visual supports.</p> <p><u>Engaging Families and the Community/ Supporting parents and carers</u> Independent learning shared with families (in Covid-19, via Tapestry regularly), ensuring they are well informed of attainment, progress and next steps in learning. Families able to communicate with school via Tapestry about how they have worked on 'Next Steps' in learning at home.</p> <p><u>Monitoring, Evaluation and Accountability</u> SLT to monitor standards overall</p>	<p>Teachers to plan and deliver differentiated activities for all areas of curriculum in independent and teacher led lessons</p> <p>Teachers and classroom staff introduce roles in enhanced provision enabling all children can work independently and are engaged throughout. Monitoring by SLT and middle leaders in learning walks, planning and work scrutinies alongside lesson observations</p> <p>Attainment and progress monitored termly by SLT.</p> <p>Ongoing formative and summative assessments by all teaching staff.</p> <p>SLT and SENDCo in termly Pupil Progress meetings.</p> <p>Pupil interviews as part of PP monitoring.</p> <p>SLT/Subject Leaders monitor Tapestry use for both staff and relatives in their subject area.</p>	<p>Monitoring and evaluation incl. Ofsted inspection has identified the need for greater consistency in challenge in independent tasks incl. investigative approaches.</p> <p>EEF state impact of collaborative approaches on learning, particularly approaches that promote talk and interaction between learners, tend to result in the best gains (+ 5 months progress).</p> <p>EEF evidence suggests that social and emotional learning can impact on progress for moderate cost, and can add up to 4 months progress e.g. interventions and support to help children manage emotions rather than focusing on just the academic or cognitive elements of learning.</p>	
---	--	---	--	--

	<p>SEND Lead to plan, monitor and evaluate interventions for impact, and work with other agencies to identify and support children as appropriate to need</p> <p>Regular monitoring subject leaders incl. lesson drop in, observations, book scrutinies etc.</p> <p>Governing Body Focus Visits – specific governors assigned to this priority</p> <p>Data trawl – monitoring progress/achievement</p>

Area to Address 3 -

Parental involvement in children's learning

'Should provide clarity over the expectations of families – a progression model of expectation of parental support. Where necessary, communication should be personalised.'
 Marc Rowland – Pupil Premium Review 2019
